

Quite a number of our friends would like for us to run this bargain giving event through to the end of this month, and we are very glad indeed to meet their wishes in this respect. Therefore this Sale will continue until 6 o'clock Tuesday night, the 31st inst.

We are investing every effort in customer satisfaction, for we believe this to be the safest of "Sale Insurance" policies, and the tan of success is not gained by keeping service in the shade. If there is ever any fault in our service, please tell our Mr. Gaetz by personal interview, phone or letter. He is ever willing to leave the ninety and nine pleased customers and give the most minute attention to anyone who for any reason is not satisfied.

CALEDONIAN PICNIC AT SYLVAN LAKE

The Events Caledonian Society and the Red Deer St. Andrew's Society held a joint picnic at Sylvan Lake on Wednesday afternoon, it having been postponed from two weeks before on account of wet weather. There was a splendid turnout of the Scotmen and their friends and the event passed off very happily. The men and women looked after the sports, while the ladies did their full duty by the fine tea provided. The four pipes on the ground, which delivered the proceedings with their music, while the dancing continued was another interesting feature. The results of the sports were:—

Races, girls under 8—Mrs. Nelson, O. Charlotte, Nellie Driver.

Girls under 12—Isabel Stewart, Helen Durvin, Janet Paton.

Girls under 16—Alma McDonald, Biddy McPherson, Alice Cameron.

Boys under 8—Mervin Coulter, William Cameron, John Holmwood.

Boys under 12—Wm. Parker, Eric Henderson, Clarence Sobers.

Boys under 16—Wm. Parker, Eric Hansen, Wm. McPherson.

Quarter dash—Jas. Stewart, Eugene McGill.

100 yard mile run—Jas. Stewart, J. H. McLean.

Stunning broad jump—J. H. McLean, B. C. Learned.

Running broad jump—Ed. Springbett, J. H. McLean.

High jump—Ed. Springbett, J. H. McLean.

Hop, step and jump—J. H. McLean, B. C. Learned.

Tossing the caber—Geo. Duncan.

Throwing the hammer—Heater McArthur, Geo. Duncan.

Putting the shot—W. L. Learned, H. McArthur.

Ladies' race—Alma McDonald, Velma Trimble.

DEATH OF MR. ANDREW RABIDOU

Mr. Andrew Rabidou, a much respected resident of the Willowdale district, died at Red Deer on Tuesday, July 18. Mr. Rabidou had not been well for the last four or five years and lately was taken to the hospital for an operation from which he did not rally. Mr. and Mrs. Rabidou came to the Red Deer district from Oklahoma about 13 years ago, and rented the Prevo farm west of Red Deer. Ten years ago Mr. Rabidou purchased section 13-37-27 W.

4th and later added another quarter to his holdings, using the biggest part of his land for cattle raising, which particularly appealed to him. Mr. Rabidou was greatly esteemed by his neighbors, who found him a kindly and helpful citizen, always ready and willing to help where he could.

The funeral, which was very largely attended, took place on Thursday afternoon from the Jacques-Orme Funeral Home to the Red Deer cemetery, Rev. J. L. Hughes conducting the service. Music was given by "St. Wm. Gather at the River," favorite hymns of Mr. Rabidou, were sung. Among the floral offerings were wreaths from the Willowdale Community Club and the Horn Hill U.F.W.A. The pallbearers were: Thos. Towler, Wm. Towers, S. P. Ye, J. W. Hamilton, P. Wade and Geo. Lund.

DEATH OF MRS. FRANCIS ROSS

Mrs. Francis Ross, wife of Councillor Ross, M.J. of Hays, died very suddenly in her garden at the farm on Wednesday afternoon, July 25. Mrs. Ross had been working in the garden. She came in for afternoon tea and apparently went out again to the garden, where her body was found by the farm folks. Mrs. Ross returning a few minutes later to assist in carrying her in. The husband and family will have sincere sympathy in their bereavement.

Mr. and Mrs. Ross and family have been residents of the Pine Lake district since June, 1906, when they arrived from Scotland. Pine Lake, where her general manner and faithful service aided in building up and improving that locality. She had four boys, two—James and Lewis—married, and one—Albert—at home. Great sorrow for Mr. and Mrs. Ross in the loss of their eldest son, Francis John, in England from cerebral apoplexy, in 1914, and left Red Deer with the first consignment from this town. Mrs. Ross was born at Hays, Ont., in 1872, and was married to Mr. Ross in 1892.

The funeral took place to the Pine Lake cemetery on Friday, and was largely attended.

RUSSIA WILL HAVE 120,000,000 BUSHELS WHEAT FOR EXPORT

Germany Has Bought Almost the Entire Surplus

Moscow, July 23.—The coming harvest, according to official figures based on information obtained from 7,000 rural communities, is expected to yield more than 3,000,000,000 pounds of wheat, or approximately 120,000,000 bushels, compared with 82,000,000 bushels in 1916.

The surplus over the country's needs is estimated at 500,000,000 pounds, of which more than 200,000,000 pounds is destined for export. The total agricultural production for 1923 is valued at 4,500,000,000 gold rubles, as against 6,500,000,000 in the year before the war.

MAGIC BAKING POWDER

Magic Baking Powder is scientifically made and has never failed to give the maximum leavening efficiency. Because of this and the uniformly satisfactory results obtained by its use we recommend it as Canada's perfect baking powder.

HAYNES

Fire destroyed Tom O'Connell's store and the residences of Aley Sage next door, including the post office, early Sunday morning. Mrs. Angel was away and Uncle Tom was nearly overcome by smoke, and saved practically nothing. Sage's, however, were able to get considerable furniture out before their clothing, but they carry no insurance on either house or effects. Uncle Tom was partly insured, as also was Mrs. Phillips, of Calgary, the owner of the store building. A very high wind was blowing, threatening Mrs. Gray's and the church, but fortunately no more damage was done. Mrs. Sage is temporarily installed in the Lumber Co's premises. This is the second fire this spring, as the elevator burned Sunday, April 1. Mrs. Angel and Bernard accompanied Bayview's by auto to the Calgary fair, getting home late Sunday night to find their home gone.

Mrs. Steve Canfield was also taking in the Calgary fair last week, and several from Stouffville, including Mrs. Stewart and Mamie and Howard Elliot, Ellet.

Mr. Waterbury, from the south country, was up visiting Fresho's and Jim Dines.

Preshe's, the house and sister have been up for a few days from Lethbridge district.

The Mrs. Norman Anderson and little baby are having an auto trip over the new Banff-Whitewater road, and possibly going on to the coast of Washington, or further if weather permits. Norman has travelling "de luxe" down to a fine art, and they also took in the Calgary exhibition enroute.

Bill Simluk has a new car, having disposed of his but to Colin Roosevelt. Haynes will pick up yet. Everybody thinks we're to have a new elevator once, so we'll have these fine crops will make things hum.

Petitions have been circulated all along the line to get the C.N.R. to carry the mails. It's maddening to have railway connections and yet our news has whiskers on it before reaching us by rural route indirectly through Clive.

Horus Randall has come to Nordegg to take a position.

Mr. and Mrs. Irish spent a few days last week at Didsbury.

Stouffville basketball team, including the Haynes, played Clive at the arena at Morris's last week and were beaten 5 to 14. However, they hope for a second chance on the home ground soon, and are valiant enough to try James' Valley this Wednesday, if possible.

If course everybody was to the stampede at Russell on July 4, and the livestock was sent to the grain in bucking and roping contests. There is a splendid natural arena and sports ground which have proved so successful along the line of the Canadian Pacific in the Canadian Rockies. The simple construction and low cost of the camps is a feature. The simple construction and low cost of the camps is a feature. The simple construction and low cost of the camps is a feature.

The French River bungalow camp is located on an elevation which commands a magnificent view of the main channel of the River, within 200 yards of the railway station. The scenery is characteristic of the Georgian Bay region, rocky shore, winding ways, and dense pine forests in which all kinds of game abound.

The Nipigon is called the home of red and speckled trout, and with some trout, for it is undoubtedly the most prolific breeding place for these sporty fish in the world. The world's record speckled trout came from there in 1916 when Dr. J. W. Cook, of Port William, Ont., took one weighing 14 1/2 pounds and measuring 31 1/2 inches from head to tail and 11 1/2 inches across. What need to say more, unless it be that the scenery is equal to any seen at the French River or Lake of the Woods.

WEEKLY NEWS LETTER

Issued by Publicity Commissioner, Government Buildings, Edmonton.

Courses for School Fair Winners

Short courses for school fair winners were held from July 9 to 14, at the agricultural schools at Olds and Claresholm. These short courses were started last year for the boy and girl winners in each school fair district, and the plan was enlarged this year to courses at both Olds and Claresholm. The course at Olds this year included the school fair winners of Olds and Claresholm and the winners in 32 school fair districts attached to these centres participated in the course. At Claresholm the winners in 31 school fair districts participated. At Olds there were 105 students and at Claresholm 63 students. The boys and girls enjoyed the course exceedingly. The courses covered lectures and demonstrations in horticulture, field crops, livestock, carpentry and domestic science. Proper provision for recreation was made, and even-entertainments included motion pictures provided by the department of agriculture, which were both instructive and entertaining. Another course will be held during the week of July 23.

Rye Harvest in Progress

The cutting of rye is in progress in the southern part of the province. This crop will be rather light this year, but last, but there are some heavy stands in some fields.

Southern Wool Clip

It is estimated that the wool clip of southern Alberta camps this year will total 850,000 lbs. Some of it has been disposed of at 34 cents.

Highways Board Tour Province

Members of the provincial highways commission will tour southern portions of the province the coming week to locate definitely routes for certain main highways.

Neglected Children's Department Conference

The annual conference of the department of neglected children and mothers' allowances will be held in Lethbridge on July 24 and 25, when several prominent speakers will be present.

Visitors to Province

Among the visitors to the government buildings during the past week were: Charles Wright, Honorary Secretary of the British Passenger Agents' Association, who is gathering information for the benefit of tourist and settlers in the old country, and Mr. Weymouth, editor of "Farm Life," published in Indiana, who is collecting material for articles on various branches of the farming industry in Western Canada.

Produce Merchants

The department of agriculture will commence prosecution shortly of the British Produce Merchants' Association, who are not applying for or taken out licenses under the provisions of the Produce Merchants Act.

Coal Conference

The conference on coal rates from Alberta to Ontario held the past week in Edmonton, and was attended by C. A. McGrath, Chairman of the Coal and Steam Board; Sir Henry Thornton, President of the C. N. R.; D. C. Coleman, Western Vice-President of the P. E. N. Association; and Stutchbury and A. Chard of the Provincial Government, and a number of other delegates.

MUSIC EXAMINATIONS

The pupils of Miss Daisy Gaetz, passed their music examinations with results as follows:—

Toronto Conservatory—Ira Cunningham, introductory, piano forte, pass; Doris Webb, introductory piano forte, honors; Rosie Thompson, primary theory, pass.

Toronto Academy—Jean Shannon, elementary theory, first class honors; Agnes Willsby, primary theory, first class honors. Jean Shannon made 88 marks out of 100.

Mrs. Willsby's pupils had the following results in Theory examinations of the Toronto Academy of Music:—

Primary Theory—Honors: Edith Pearson.

Elementary Theory—Honors: Allen Pury, Abdul Lavender.

The results of the recent music examinations held under the auspices of the Toronto Conservatory of Mrs. G. P. Simons' pupils, have been announced as follows:—

Primary—Honors: Clifton Porter, Introductory—Honors: Jean Porter, Jean Harvey, Ralph Berry. Passed: Mrs. Harvey.

Mr. Ferdinand Hall, the presiding examiner, spoke very highly of the efficient training the pupils received.

Ten Reasons Why You Should Buy A Stave-Lock Silo

1. Extremely low cost (price less than half the cost of any other other high-grade silo on the market).
2. More and better silage.
3. The short staves and patented interlocking joints enable the Stave-Lock Silo to be erected with ease by one man.
4. Stave-Lock Silos can be erected "a piece at a time" thus enabling a farmer with limited means to erect a large silo in three years by building a part each year, and having the use of the silo all the time.
5. Larger capacity at less than half the cost.
6. The tensile strength of a Stave-Lock Silo is far greater than any iron-hoop silo.
7. The freight rate on Stave-Lock Silo material is much lower than for any other silo.
8. No scaffolding is necessary in erecting a Stave-Lock Silo, which can be built in the time it takes to put up the scaffolding for any other silo.
9. The Stave-Lock door is air-tight, easily operated, non-sticking, and leak-proof.
10. The octagon shape of Stave-Lock Silos enables a more solid and more rigid construction, and therefore a greater resistance to the elements than any other make of Silo.

Acadians to Visit Grand Pre

Grand Pre Memorial Chapel and, inset, the Statue of Evangeline.

THE "Land of Evangeline" will become the scene of another celebration on August 9th. At a meeting of the Grand Pre Memorial Committee recently held at Moncton, arrangements were made for an excursion to Grand Pre on that day. Special trains will carry people from all points in Nova Scotia to the little town from whence the long suffering Acadians were deported by the English in 1755, and it is anticipated that people will join the excursionists from all parts of the Dominion and the United States.

One of the features of the day's programme will be the unveiling, in the Memorial Chapel, of a statue of the Madonna, which will be erected in recognition of the noble work accomplished by the Acadian National Society L'Assomption, the Madonna being the patron saint of this society. The statue, which is 7 1/2 feet high rests on a six foot base, has great beauty of design, and is claimed to be the finest of its kind on the American Continent.

BANK OF MONTREAL CROP REPORT

19th July, 1923.
 General: Crop conditions in Western Canada continue to be satisfactory; dry windy weather appears to be all that is needed to insure a remarkable yield in practically every part of the Prairie Provinces. There have been some hail storms, but the damage has not been extensive except in certain comparatively small districts; crop conditions in the other provinces are exceptionally good on the whole. Details follow:

Prairie Provinces:
 Edmonton District: Conditions continue satisfactory. Calgary District:

Prospects encouraging, but moisture needed at Brooks; further severe hail damage at Okotoks and High River. Lethbridge District: Crops making good progress; sufficient moisture, some slight hail damage; hay crop heavy, quality not good. Saskatchewan District: Crop conditions satisfactory with little damage from hail, although storms numerous. Wheat heading out well, but drying weather needed to avoid rust, of which there are indications in some districts; hay and pasture good. Regina District: Very prospects generally continue favourable, and a large percentage of wheat is headed out; rust has appeared in some districts; windy dry weather essential. Hail has caused some damage, but fall extent not known. Hay crop good too wet to cut; pasture plentiful. Winnipeg District: Conditions favourable for good crop of both wheat and coarse grains. No serious damage from rust yet reported. Seventy percent of the wheat is headed out; fax in bloom; rye cutting begun in south, yield not heavy; pastures good.

AUGUST ROD AND GUN

There is an abundance of interesting material for the sportsman in the August issue of Rod and Gun in Canada, and from cover to cover, it is stocked with articles written from first hand experience, while the various departments are brimful of interesting suggestions, and experiences. Raymond Thompson is represented by a good story on the Beaver, getting some unusual insights into its life. "Walking Up and Drifting Down" is an interesting account of a novel canoe trip by A. W. Tucker, while Bonnyville Dale has contributed a good story on the will goose hunters of Cape Island. The Sixth Close Call of Martin Hunter contains another narrow escape from death, while an interesting article appears by G. W. Visser on making summer vacation pictures attractive. Robert Page Lincoln, C. S. Landis, F. H. Walker, W. C. Malley, F. V. Williams, and J. W. Winslow, the regular contributors, have supplied departments covering every phase of the sportsman's interest, and there are numerous other articles and stories in this well illustrated number, which make the issue one of particular interest.

Rod and Gun in Canada is published monthly by W. J. Taylor, Limited, at Woodstock, Ontario.

FIFTEEN COUNTRY FAIRS IN ALBERTA ARE CANCELLED

Fifteen of the country fairs in Alberta have now cancelled their dates and will not be held this year, while two others will meet at later dates than first arranged. The list of cancellations is as follows: Fort Saskatchewan, Raymond, Chinook, Richdale, Selkirk, Paddle River, One-way, Bonanza, Spirit River, Peace River, Edgerton, Coronation, Irma, Stettler and Thornhill.

Hanna is changing its date from August 7 to September 5, and Lacombe and Redlaw, scheduled for the first week of August, will be postponed to September, date not yet decided.

A few other cancellations are still expected, but with the exception of the dead list already on file the main part of the official schedule of local fairs will probably be carried out.

SATINWOOD NEWS

Mr. and Mrs. Charles Stuart, Mrs. and Miss Elsie Long and Mr. Howard Elliott and Miss M. Elliott have just returned from spending a few days in Calgary.

Mrs. Landon and Miss Landon, of Seattle are visiting Mrs. Clayton Dittler.

The Ladies' Club met at the home of Mrs. Elliott last Wednesday. A pleasant and profitable time was spent. The subjects that were under discussion created great interest and will undoubtedly prove beneficial.

The community games each Friday evening have been very well attended, between fifty and sixty people being present. The young ladies' basketball team played the Jones Valley school last Wednesday and won by 6 to 5.

MUNICIPAL HOSPITAL

Financial Statement for the First Three Months of Operation.

At a meeting of the Red Deer Municipal Hospital Commissioners on Tuesday, Mr. A. T. Stephenson, Treasurer, submitted the following statement of the affairs of the Hospital during the first three months it has been under the Municipal Hospital system:—

1. Balance sheet as at April 1, 1923.
2. Statement of cash receipts and disbursements.
3. Revenue statement.

Balance Sheet
 This shows the assets and liabilities at commencement of operations. The capital assets are taken at the purchase price of the Hospital, land, buildings and equipment. A proper valuation would no doubt show them at a considerably higher figure but, for the present, it might be wise not to write up any appreciation of value on the books. For the purpose of insurance, however, it would be advisable to have a proper valuation made of the equipment and as soon as possible. The capital liabilities, of course, represent the cost to the Hospital District of the Hospital. This is so low that the annual payments from revenue for debentures is much smaller than in other municipal hospitals of similar size, and in ten years the present liability will be paid off in full.

Cash Receipts and Disbursements
 The cash receipts were below normal on a daily basis. In May there were fewer patients in Hospital. It was not necessary to borrow any money from the bank as, so far, the receipts have been sufficient to pay the expenditures. The amount owing to the Hospital for drugs, provisions, etc., on hand on April 1, have not yet been paid, and the June store accounts were paid this month (July).

Revenue Statement
 This shows the amount earned by the Hospital and the cost of operation for the quarter. It is very gratifying indeed to note that, if the patients' accounts can be collected promptly, the Hospital is self-sufficient. The taxes and fees from Hospital supporters are sufficient to pay the debenture charges.

General
 There were 87 patients in Hospital during the quarter, medical cases 25, surgical 57, obstetrical 5, with natural deaths and one infant death (still born). Number of Hospital days 475, cost per patient per day, \$2.88. It is informed that there are more major surgical operations in the Red Deer Hospital than in any other hospital in Alberta, outside the large cities. This speaks well for the professional reputation of the surgeons of Red Deer.

Respectfully submitted,
 A. T. STEPHENSON,
 Secretary-Treasurer.

HILLSDOWN NEWS

On Friday, August 3rd, The Jungle Troupe will give a variety entertainment and dance at the Community Hall. The programme will be new, and include novelties, commencing at 8 p.m. sharp. Admission, 50c. Good music will be provided for the dance by a six-piece orchestra. Admission: Gentlemen, 50c; ladies, 25c.

PROVINCE PAYS 5.28 PERCENT. FOR LATEST LOANS

Edmonton, Alta., July 20.—Another block of Alberta debentures have been disposed of by the provincial government, an issue of \$2,000,000 worth being sold privately to a Toronto syndicate comprising the Wood, Gundy and Co. and the A. E. Ames and Co. The price obtained was 96.539 at a rate to yield 5.28 percent interest. The bonds are 20-year "fives." This issue is part of a block of \$5,000,000 worth of debentures which are to be disposed of by the treasury department for refunding purposes, the other \$3,000,000 worth to be placed on the market this fall.

"SEA PUSS" MADE SUDDEN ATTACK ON SEA BATHERS

Atlantic City, N.J., July 20.—Hundreds of bathers were endangered here just before midnight when a "sea puss" or shark, of the type known as a hammerhead, suddenly swept in on the unprepared throngs, for their lives. The first series of giant combers hurled the majority into shallow water where they were able to assist one another to the beach. The sea phenomena, of an intensely seldom seen, were subdued as quickly as it developed.

THE STEADY SUBSCRIBER

How dear to our heart is the steady subscriber. Who pays in advance at the first of each year. Who lays down the money and does it quite gladly. And casts round the office a halo of cheer.

He never says "Stop it; I cannot afford it." I'm getting more papers than I can read." But always says: "Send it; our people all like it." In fact, we all think it a help and a cheer.

How welcome his check when it reaches our sanctum. How it makes our pulse throb; how it makes our heart dance. We outwarily thank him; we inwardly bless him—The steady subscriber who pays in advance.

Good Advertising Pays Its Own Way

To Advertise Is One Thing---To Advertise At A Profit Is The Real Objective

Good and bad seasons are largely a state of mind. The man who is big enough to make his own conditions never has any "bad" seasons. Equalizing business throughout the year is simply a matter of education—education by way of intelligent advertising.

We are a nation of headline readers; therefore you've got to say what you have to say with a PUNCH. You might hit the bull's-eye with bird shot. You CAN hit it with a .44. You might reach your customers with general advertising. You WILL with direct advertising in THE RED DEER NEWS.

THE RED DEER NEWS

High Class Printers and Publishers
 RED DEER, ALBERTA

GLENEL

Everyone is all smiles over the glorious growth. We are informed that the election of stewards for the Glenelg annual picnic has been set aside to be discussed at our U.P.A. meeting on July 27th.

All the High School girls have returned to their respective homes for the vacation.

George Walton, our energetic road boss, is opening up all the roads in the district.

A number from here attended a dance at Jack Herbert's hotel last week. All with a return of the pleasant event.

Mr. and Mrs. Webster returned from the Calgary Stampede on Monday last.

A number from here intend to take in the Red Deer Fair.

Our genial friend, P. T. Edwards, manager of the P. Burns Creamery, Plancher Creek, reports a very successful year of business in that district.

The Grassy Lake picnic was very well represented by Glenelg and proved to be a real day's enjoyment.

Mrs. M. Walton, of Mount Pleasant, who has been visiting her relatives

in England, is going to leave for Norway to visit her sister, but expects to return next month, and we all wish her a safe return.

Mrs. R. J. Cuddy visited her mother-in-law in Edouard for a few days.

Mr. J. M. Reding was a business visitor to Innisfail this week.

Miss D. Edwards intends to spend her vacation at Sylvan Lake with Mr. and Mrs. C. Trimble and family at their cottage for a fortnight or so.

WILSON'S FLY PADS

Kill them all, and the germs too, 10c a packet at Druggists, Grocers and General Stores.

BOY SCOUT AND WOLF CUB CAMP

The Second Red Deer Troop of Boy Scouts and First Pack of Wolf Cubs, under Scoutmaster Gail and Akela Callender, spent a very enjoyable week end under canvas at Sylvan Lake on Friday, July 13th. Leaving the troop headquarters at 7 p.m., the boys were transported in two cars to the old camp ground north of the village.

Two tents were soon up, and everything was ready for the night. After a number had been played, a fire was lighted and the kettle put on to boil. While waiting the boys told yarns and made an attempt at singing. Cocoa was served to warm them up, after which they retired to the tents. It was a beautiful evening, and the boys were looking forward to the fun they were going to have on Saturday and Sunday, and all were pleased to see the night was so pleasant.

At 10 o'clock the boys were awakened by the sound of a horn, and they were all very busy at midnight, and the night was so pleasant. All kinds of things before they went to sleep. Contrary to the usual custom of being up with the sun, the boys were not out till 6 a.m., and everyone feeling fine.

Some of the Scouts went for a walk and enjoyed the view from the top of the hill a mile along the road, and as one said, made another hole in his appetite. At seven o'clock all were washed and busy cooking breakfast. Bacon and eggs appeared and disappeared like magic, and Akela was kept busy cutting bread. First rally was at 9 a.m., and everything was clean and tidy and all ready for the day's work and play. Flag raising, salute, morning prayers, Scout and Cub promise, followed by instructions and camp rules, started the day.

Akela gathered the Cubs around and disappeared into the bush with a rope and the youngsters were soon in the midst of knot tying, and a thorough take-over of Tanager and 1st Star work. Following which a talk on 2nd Star work and a wish expressed that all should pass as well as possible, so the work on practice and games might be started, filed in the morning until the call for bathing. At 10 o'clock the Scouts passed in the fire-lighting test.

The Scouts under the Shell were divided into two groups under Patrol leaders Michener and Daws.

The Crow's: P. L. Michener, S. Porter, Porter and B. Sharmar, Sharmar, Curlew, P. L. Daws, D. Muir, D. Stephenson and W. Bullock. Myrvin Porter was our guest and who took part in the tests and games.

The patrols worked in competition with each other, and the results will be seen later. Instruction in finding direction by sun and compass, etc. was first taken up, and the Crow's won by 7 points to 5. Each boy was required to point his staff in the direction asked with the above result.

Judging height was next taken up, and a 30 foot tree was measured and checked in two or three different ways. As each one got the height to between 30 and 32 feet, each patrol was awarded equal points, 8 each. The methods used were pencil, shadow and triangle.

Judging distance required a little more time and care, each patrol worked on different objects, and again both worked out the distance correctly. Triangle and step methods were used in this test. One of the boys stated he had proved to his Dad, by this method that the barn was not as far away as he thought and thereby won the prize of a visit to the show.

The morning was very warm, and when orders were given to get ready for swim, all were undressed in record time. The swimmers were soon out in the deeper water, and the Cubs and other Scouts having a fine time in the shallow water. Some boys appeared with a raft, and it made a fine diving board. Hal Daws passed his first class swimming test. Noon, and again everybody busy over the camp fires, cooking the mid-day meal, talking of the fine time they are having meantime. It was decided to let the boys have the afternoon to themselves, and by two o'clock a baseball game was in full swing. At 4 o'clock another swim was very much in favor, as everyone was hot and tired. A ball game between the Scouts and Cubs resulted in a win for the Cubs 23 to 18. After supper the two Patrol leaders chose teams of the Scouts and Cubs mixed, but no one knew the score, as it would have taken a thorough to keep track of the runs. About 8 p.m. a large pile of wood was built in teepee style for a camp fire and there was almost a box of matches burned before it was finally lit. Songs were sung and yarns told till the fire burned down. The moon was again handed round. Myrvin as the chief artist at the camp fire and his songs and patter kept everyone in laughter. It was with many regrets that the sun went down behind a black cloud, and the rain would stay away until they got home.

The boys were not long in bed till all were sound asleep, and the hum of the previous night had disappeared. About 1 a.m. the wind came in a hurry, and the tent flaps were washing the faces of the sleeping boys. There was some fun trying to keep the tent down, and some novel devices were used to keep the tent on the outside. Such is Scouting.

Sunday morning, 7 a.m., and not a stir stirring. The Shell was a walk and a wash in the morning lake (where white-cars are running high on the beach and filling a rowing boat left out in the water overnight) lights the fire, and then blows a blast on the whistle that wakes up the Scouts and gives a weird yell in the Cub tent that makes them think Akela has gone mad. Fifteen minutes later some of the Scouts are damped out of their beds, and sleeping bags. (Ask one of the Scouts how comfy they are and how to make one). The wind is cold, and they don't want to get out. While waiting the boys tell yarns and make an attempt at singing. Cocoa was served to warm them up, after which they retired to the tents. It was a beautiful evening, and the boys were looking forward to the fun they were going to have on Saturday and Sunday, and all were pleased to see the night was so pleasant.

SAVED FROM AN OPERATION

Restored to Health By Taking "Fruit-a-lives"

Made of Fruit Juices and Tonics

The most convincing proof of the true worth of "Fruit-a-lives" as a medicine for women is found in the letters written by them to "Fruit-a-lives". For instance:

"I suffered with all the symptoms of female trouble, pains low down in the back and sides, constipation and constant headache. A doctor advised an operation. I started taking 'Fruit-a-lives' and this fruit medicine completely relieved me of all my misery!"

Mrs. M. J. GORSE, Vancouver, B.C.
50c. a box, 6 for \$2.50, trial size 25c. At dealers or from Fruit-a-lives Limited, Ottawa, Ont.

BULLETIN OF ALBERTA AMATEUR BASEBALL ASSOC'N

The following is the tentative draw made by the Executive Committee in connection with the 1st rounds of the Alberta Amateur Championships this year. These games will be completed by the evening of Saturday, 18th August, and the draws for the second rounds will be made immediately.

Seniors: Edmonton vs. Brule; Rockyford vs. Drumheller; Bassano vs. Medicine Hat; Southern Alberta vs. Crow's Nest Senior; Alberta Southern vs. Calgary Senior; Intermediate: Edmonton vs. Mirror; Rosebud vs. Red Deer; Medicine Hat vs. Calgary Intermediate.

Junior draws will be made later. Under the A.A.B.A. rules, each affiliated league is required to have its winners declared to the Secretary of the A.A.B.A. by the evening of Saturday, 18th August.

Also under the rules of the A.A.B.A. an affiliated league is required to play a benefit game, at which an admission fee shall be charged, and the total gross receipts turned in to the A.A.B.A. treasury. The executive committee have decided that the proceeds of all these games must be in the hands of the Secretary of the A.A.B.A. by the 6th August, otherwise the league winners will not be allowed to play in the playoffs.

Clubs, not in an affiliated league, are also required to play a benefit game for the A.A.B.A. under the same conditions as above.

The method of arranging these games is left entirely in the hands of the Leagues and clubs concerned. The only clubs affiliated this year who are not in an affiliated league are Rockyford, Drumheller, Mirror, Red Deer, Brule, and the Medicine Hat Seniors and Intermediates. These clubs are therefore responsible for arranging their own benefit games.

Edmonton Seniors have already played this benefit game, but the Calgary Seniors, Intermediates, Rosebud League, Southern Alberta League, Alberta Southern, Crow's Nest Junior League, Medicine Hat Junior League, and the Calgary Junior League have not yet announced their benefit games without delay.

The next Brewery Trophy series will be on Friday, August 18th, at Rockyford, between Rockyford and Staveland.

MODERATION LEAGUE

At a meeting held in Calgary, in June, the following manifesto and declaration of policy was adopted by the Moderation League:

The Moderation League of Alberta is a permanent organization for the purpose of initiating and supporting legislation that will promote temperance and better the moral, social and economic conditions in the Province of Alberta.

It proposes to support and carry on a movement for the repeal of the present Liquor Act, and substitute therefor a sane, reasonable and practical law.

The League recognizes as fully as any prohibited the suffering caused by intemperance and the abuse of strong liquors, and yields to none in its anxiety to remove this blot on our civilization.

It is in regard to measures to be adopted to end this evil that it differs from the prohibitionist.

It believes that victories are won by persevering strategy rather than by violently running amok, and recognizes that prohibition legislation of any kind can never of itself secure the desired end, and can only result in minimizing respect for law.

It proposes to support and carry on a movement for the repeal of the present Liquor Act, and substitute therefor a sane, reasonable and practical law.

Direct Insurance

MUTUAL Insurance is direct insurance. No interests come between the company and the policyholder. There are no shareholders or no shareholders' dividends. The policyholders own and control the company. There are no "middlemen." All profits are paid to the policyholders.

The Directors are responsible to the policyholders only, and this naturally results in exceptionally careful administration.

The Mutual Life of Canada is the product of over half a century of growth. It is founded on the principle of direct insurance—mutual, confidence, mutual help. It provides insurance at net cost.

Why don't you talk to our agent about direct, net cost life insurance? Or write our head office and let us send you literature to explain in detail the principles of the company.

The MUTUAL LIFE OF CANADA - Waterloo, Ontario.

"The Net Cost Life Insurance Company"

Please send me detailed information on the Mutual Life System of Insurance at cost, particularly concerning the plan of policy I have specified below.

EXAMINER'S REVIEW OF PROVINCIAL MARKETS

Calgary, July 19.

Cattle—Beef—Calgary receipts light up to Wednesday and prices about steady with last week, though cows are not as good quality. Choice heavy and light steers, \$2.25 to \$2.35, with the heavy ones taking the top; common to good steers, \$2 to \$2.15. Best cows, \$4 to \$4.25; good, \$3.25 to \$4; medium, \$2.50 to \$3.25; common, \$2 to \$2.50; canners, \$2 to \$1.50. Choice heifers will make \$4.50. Calves unchanged, with best weaners \$2.25; heavy calves, \$2 to \$2.50. Beef scarce and prices low, with tops \$2.50. Feeders, Stockers—Demand steady, but quality shown, feeder steers, \$3 to \$4.50, with a top of \$4.85; stocker calves, \$3 to \$4.50; heifers selling at \$2.25 to \$3.25; stock cows, \$2 to \$3. Beef—Light receipts of this class of cattle at Edmonton kept the price firm. Choice heavy and light steers, \$5 to \$6; good, \$4.50 to \$5; medium, \$4 to \$4.50; common, \$3 to \$4. Choice heifers make up to \$5; choice cows, \$4 to \$4.50; good, \$3.50 to \$4; medium, \$2.50 to \$3; common, \$2 to \$2.50; canners, \$1 to \$1.50. Bulls unchanged with \$2.50 for choice fat calves. Calves steady at \$2.25 to \$2.50; common, \$2 to \$2.50; canners, \$1 to \$1.50. Feeders, Stockers—Good demand for the fairly large receipts of choice feeders, \$2.50 to \$4.50, with a top of \$5; good stockers, \$3 to \$4; plain young stuff, \$2 to \$2.50.

Hogs—Calgary run very light this week, but prices mostly steady and yesterday's sales of thick smooths at \$8.35; day advanced to \$8.55.

Pig prices at Edmonton steady during week and sales on spread of \$8.25 to \$8.50 for thick smooths and medium of 10 percent on bacon.

Sheep—Receipts light at Calgary; choice lambs would probably bring \$12 to \$13; some sheep handled at Edmonton, with lambs quoted \$11 to \$13; yearlings, \$8 to \$10; ewes, \$3 to \$5, on wide range of quality.

Markets have been all week. Winnipeg shippers say unsatisfactory condition of lake shipping partly responsible, but export buying does not seem to amount to much. Crop conditions in Alberta, with the exception of hay losses, are wonderfully good and making splendid progress.

Butter—Cream—Cheese—Creamery Butter—Car lots, basic specials down 1/2c to 2/3c and 2/3c; car lots and prints unchanged at 35c and 36c. Dairy Butter—Receipts higher straight receipts at 12c to 12 1/2c; at markets price 12c to 12 1/2c to shipper. Cheese—Prices unchanged. Butter—Prices unchanged; production good; quality losing some owing to hot weather and weedy taint.

Eggs—Poultry—Eggs—Calgary receipts still light; 1-12 to 18; 13-18; 18-24; 24-30; no improvement in quality. Poultry—Receipts of live birds light; dressed, 12 to 13; 13 to 14; 14 to 15; 15 to 16; 16 to 17; 17 to 18; 18 to 19; 19 to 20; 20 to 21; 21 to 22; 22 to 23; 23 to 24; 24 to 25; 25 to 26; 26 to 27; 27 to 28; 28 to 29; 29 to 30; 30 to 31; 31 to 32; 32 to 33; 33 to 34; 34 to 35; 35 to 36; 36 to 37; 37 to 38; 38 to 39; 39 to 40; 40 to 41; 41 to 42; 42 to 43; 43 to 44; 44 to 45; 45 to 46; 46 to 47; 47 to 48; 48 to 49; 49 to 50; 50 to 51; 51 to 52; 52 to 53; 53 to 54; 54 to 55; 55 to 56; 56 to 57; 57 to 58; 58 to 59; 59 to 60; 60 to 61; 61 to 62; 62 to 63; 63 to 64; 64 to 65; 65 to 66; 66 to 67; 67 to 68; 68 to 69; 69 to 70; 70 to 71; 71 to 72; 72 to 73; 73 to 74; 74 to 75; 75 to 76; 76 to 77; 77 to 78; 78 to 79; 79 to 80; 80 to 81; 81 to 82; 82 to 83; 83 to 84; 84 to 85; 85 to 86; 86 to 87; 87 to 88; 88 to 89; 89 to 90; 90 to 91; 91 to 92; 92 to 93; 93 to 94; 94 to 95; 95 to 96; 96 to 97; 97 to 98; 98 to 99; 99 to 100; 100 to 101; 101 to 102; 102 to 103; 103 to 104; 104 to 105; 105 to 106; 106 to 107; 107 to 108; 108 to 109; 109 to 110; 110 to 111; 111 to 112; 112 to 113; 113 to 114; 114 to 115; 115 to 116; 116 to 117; 117 to 118; 118 to 119; 119 to 120; 120 to 121; 121 to 122; 122 to 123; 123 to 124; 124 to 125; 125 to 126; 126 to 127; 127 to 128; 128 to 129; 129 to 130; 130 to 131; 131 to 132; 132 to 133; 133 to 134; 134 to 135; 135 to 136; 136 to 137; 137 to 138; 138 to 139; 139 to 140; 140 to 141; 141 to 142; 142 to 143; 143 to 144; 144 to 145; 145 to 146; 146 to 147; 147 to 148; 148 to 149; 149 to 150; 150 to 151; 151 to 152; 152 to 153; 153 to 154; 154 to 155; 155 to 156; 156 to 157; 157 to 158; 158 to 159; 159 to 160; 160 to 161; 161 to 162; 162 to 163; 163 to 164; 164 to 165; 165 to 166; 166 to 167; 167 to 168; 168 to 169; 169 to 170; 170 to 171; 171 to 172; 172 to 173; 173 to 174; 174 to 175; 175 to 176; 176 to 177; 177 to 178; 178 to 179; 179 to 180; 180 to 181; 181 to 182; 182 to 183; 183 to 184; 184 to 185; 185 to 186; 186 to 187; 187 to 188; 188 to 189; 189 to 190; 190 to 191; 191 to 192; 192 to 193; 193 to 194; 194 to 195; 195 to 196; 196 to 197; 197 to 198; 198 to 199; 199 to 200; 200 to 201; 201 to 202; 202 to 203; 203 to 204; 204 to 205; 205 to 206; 206 to 207; 207 to 208; 208 to 209; 209 to 210; 210 to 211; 211 to 212; 212 to 213; 213 to 214; 214 to 215; 215 to 216; 216 to 217; 217 to 218; 218 to 219; 219 to 220; 220 to 221; 221 to 222; 222 to 223; 223 to 224; 224 to 225; 225 to 226; 226 to 227; 227
